

Appalachia Heritage Success Stories Nomination Form

4th Annual Appalachia Heritage Luncheon

May 8, 2014 ▪ Statehouse ▪ Columbus, Ohio

Nomination Deadline: February 28, 2014

Send to: jbarrett@heritageohio.org

The Appalachia Heritage Luncheon was conceived by Ohio's Hill Country Heritage Area and Heritage Ohio as an opportunity to share the many diverse successes that highlight the past and future of Ohio's Appalachia Region. Selected project representatives each present their projects' story, providing exposure to many successes in Appalachia.

Nominations are now being accepted to present 3-minute success stories of projects which have created, enhanced, preserved and/or improved the value and understanding of Ohio's Appalachia Heritage, and as a result improved quality of life, created meaningful employment or entrepreneurial opportunities to be presented at the 2014 Appalachia Heritage Luncheon, held in the Ohio's Capital Building Rotunda.

Project Description:

Please describe the nominated individual's or entity's project: how was it conceived and carried out; what collaborative partnerships were formed; what impacts has the project had; what government program may have been used; what was the source of funding which made this project successful; and finally what is the future of this project.
