

Lakewood Community Progress, Inc ./ Lakewood Main Street
Thank you for volunteering for the 2006 Clean-Up Crawl!

Your assigned block is: _____

- Pay special attention to the curb / sidewalk areas on the side streets right off Detroit. These are areas that seem to accumulate a lot of debris.
- As you fill your garbage bags, leave them on the sidewalk next to any municipal garbage can. The city will be coming around in the afternoon to pick them up.
- After you have finished your assigned area, you are welcome to move on to another block and help out or you can proceed directly to The Winking Lizard. We have reserved the second floor meeting space that is located up the main stairs when you walk in the front door.

Thanks again and we'll see you at The Winking Lizard at noon!
