OHIO MAIN STREET - MAIN STREET COMMUNITY

MAIN STREET PARTNERSHIP
Heritage Ohio is the designated State Main Street coordinating program of the National Trust Main Street Center. As the state partner of the Main Street Center, we provide participating local Main Street organizations with the training, tools, information, and networking they need to be successful. Structured as a non-profit organization, Heritage Ohio is positioned to give local Main Street programs professional advice and guidance in the use of the proven Main Street Four-Point Approach™ to start or strengthen their revitalization efforts.

HOW THE MAIN STREET APPROACH WORKS
The Four-Point methodology works to create a total image for the community: providing the retail/professional area with its necessary market niche, creating a cohesive visual identity unique to the community, and nurturing a cultural ambiance associated with the community’s location, appearance, and way of life. The Main Street Approach builds on existing resources and fosters improved community leadership and support on behalf of the Central Business District for long term benefits.

THE FOUR POINTS
Organization is the building of consensus and cooperation between the groups that play a role in the downtown.

Design involves improving the downtown’s image by improving its physical appearance.

Promotion involves promoting the downtown’s unique characteristics to shoppers, investors, new businesses, tourists, and others.

Economic Vitality means strengthening and diversifying the existing economic base of the downtown.

MEMBERSHIP
Main Street Communities are chosen after a community visit to assess the organization’s capacity to successfully implement a comprehensive revitalization program. Membership requires an annual fee of $4,000. Full Main Street Communities are also required to hold a $500 annual municipal membership to reinforce the public commitment to the program and provide training to municipal staff.
